A Celebration of The Natural World

YEAR 3

SUMMER TERM

This term Year 3 will be taking a walk on the wild side as we explore the natural world. We will be using the outdoors as a stimulus to cover the curriculum and will recognise some of the conflicts between nature and technology.

It is set to be another action packed term and a wonderful way to end what has been a brilliant year!

Literacy

*Using *The Wild Robot* by Peter Brown and *The Iron Man* by Ted Hughes as our key texts, we will be given the opportunity to write about the environment and the natural world in the form of narratives, poetry and biographies.*

We will also work on our reading comprehension and Spelling, Punctuation and Grammar skills on a daily basis.

Mathematics

Within our Mathematics sessions we will continue our work on Capacity and Mass before developing our skills solving problems involving Time, Shape, Money and Statistics.

Spellings

*This term we will continue to make our way through the Year 3 statutory spellings and these will be available to revise on Spelling Shed and **Google Classroom** each week.*

Science

Within our science lessons this term we will be animals (including humans) and plants.

HOME CHALLENGE

*For our Home Challenge this term we would like each member of the class to get involved in creating a project or presentation on something they are interested in. This can take any format such as a presentation, poster, model or story and should be in school for the week beginning **23.06.25***

Foundation Subjects

We will use our foundation subjects to truly develop our studies of the environment. With nature placed at the very centre of all we do this term, we can look forward to the following:

D&T: Creating woodland inspired castles for Robot Roz

Geography: Conserving the Bees and The UK

Computing: Programming

Art: Botanical Drawings

French: The Hungry Caterpillar and My Family

Personal Development: Relationships & Changing Me

RE: Making the world a better place

PE: Tennis, Athletics and Cricket

Music: Samba with Sergio

Support

Please support your child by encouraging them to complete their Reading Journal and regularly checking their Jotter for spellings. You may also assist in their learning of Times Tables and this can be revised through Times Tables Rockstars which is available through their Wonde log in. This can be found in their Jotter.

If you would like to contact me via email, please use the following address: hello@stbreock.org.uk
