

Essential knowledge that pupils need to be educated citizens:

- Toolkit for Learning, Love & Laughter.
- Our curriculum is a progressive programme that builds on children's skills and prior knowledge. Teachers develop sustainable skills.
- Immersion and themed days are taught, often alongside trips, to enthuse pupils.
- Teachers place enquiry questions at the heart of lessons to make them engaging, creative and relevant and promote our St Breock School values throughout.

Introducing them to the best that has been thought and said:

- Motivational quotes shared by influential historians.
- Unit links with different times, cultures, places and environments.
- Link with History Leads within the Aspire Trusts who keep the school up to date with current and best practice.

Cultural Capital at St Breock History

Community

- Visits to local environment to carry out investigations in the local environment and school trips to areas of historical interest e.g. Lanhydrock House, Pendennis Castle
- Year Group Whole School Assemblies and Open Afternoons.
- Links to the wider community including the local town and Secondary School.

Helping to engender an appreciation of human creativity and achievement

- Celebrating links to the local environment by carrying out case studies and comparing life in Cornwall to other locations and time frames.
- Celebrating the progress made in History lessons on the school social media platforms.
- Year group assemblies and open afternoons to celebrate learning in History.

Careers

Units of work contain links to careers e.g. Egyptologist, Mining etc and are explored regularly.
