

# Sustainability

What is our role in sustainability and how can looking after the bees help?

Mrs Pompe, Miss Jorey and Mrs Wilson

Year 4 - Summer Term 2024

## Literacy

This term we are working on how to write a vivid character description, using powerful word choices. We are looking at what a good introduction to a piece of writing looks like, how do we hook the reader in and make them want to keep reading? The class will create their own mythical character to write about.

## Maths

In our maths lessons this term we will be exploring decimals, money, shape, statistics, position and direction and learning how to tell the time.

## Science

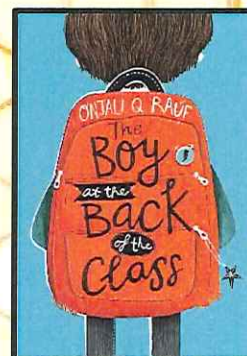

In science we will be investigating how sound is made and finding patterns between pitch and features of the object that makes it. Then we move on to electrical circuits, creating them and making loops with a lamp.

## Spellings

This term we will be continuing to make our way through the Year 4 statutory spellings. The children's spellings will be given to them on a Thursday to put into their jotters. The spellings are set on Spelling Shed each week for the children to use to practise.

## Home Challenge

Using what the children have learnt this term as a starting point, we are challenging them to create something to share with the class. This could be a poem, story, presentation, a dance, a song, in fact, it could be in any format they like! Load up the finished challenge onto Google Classroom before **19.07.24**, presentation day, or bring it in on the day. We look forward to seeing all the children's amazing work!

## Foundation Subjects

**Geography:** Conserving the bees

**History:** The Romans and why did they invade?

**D and T:** Cooking and nutrition

**Art:** Drawing and Power Prints.

**French:** Describing clothes

**Personal Development:** Relationships and Changing Me

**RE:** How do festivals and worship show what matters to a Muslim and for Christians, what was the impact of Pentecost?

**PE:** Athletics, cricket and tennis

**Computing:** Programming and code writing

**Music:** Creating our own versions of This Little Light of Mine

**Support:** Please support your child by encouraging them to regularly read at home, complete their Reading Journal, practise their weekly spellings and learn their times tables.
