Year 5

Curriculum Advice Summer Term 2024

Reading

Class books:

Viking Boy

Biomes and Ecosystems in the UK and around the world.

Living things and their habitats.

Science

Animals including humans.

Children will learn how to describe the changes as humans develop to old age.

Living Things and their habitats

Children will learn life cycles, reproduction, animal characteristics, sexual reproduction and metamorphosis.

D&T, Art (Creativity)

D&T - Textiles

Designing a shopping bag using different fabric shapes - including computer added design.

Art - Collage and printing: Andy Warhol.
How can we use Andy Warhol's designs to inspire our own artwork based on biomes?

Personal Development

Jigsaw-Changes and Relationships

Computing-Vector drawings

Religious Education-Why do some people believe in God and some people not?
GOSPEL: What would Jesus do?

Home Challenge - Geography

To create a presentation on biomes and ecosystems in the United Kingdom. This can be a poem, writing, fact file, song, or artwork.

Geography

Biomes and Ecosystems: What trees, plants and animals are in our local ecosystem?

History

The Tudors: Henry VIII, how different was life for people at different levels of society living in Tudor times.

French

Talking about food, including saying what you would like to have.
